Standard Colours

Custom Colours

Standard Colours

Standard Colour

Translucent Yellow

Typical Paddle Lengths

191cm - 194cm - 197cm - 200cm

Standard Feather is 40 Degrees

Any Feather setting can be requested

N.B. - Crank shaft is 'Neutral Torque', meaning, the centre axis keeps the hands in line with the blades. The 'hand grip' is the cranked section your hand holds.

- Shaft 'Grip Distance' is the measurement taken between thumb to thumb. Cranks are typically set at 60cm, 61cm & 62cm
